

We certify that:

- Our team is not a for-profit entity or a subsidiary of a for-profit entity
- Our team is independent and is not affiliated with other club/entity
- We list all members in this form. If there is any change to member list, we will inform LRC.

We understand that the expectation to be an active LRC member includes:

- Perform volunteer activities at the LRC outreach events
- Responsive to inquiries from LRC
- Register "Livingston Robotics Club" as the organization in the official team registration for event or competitions
- Display the affiliation as "a member of Livingston Robotics Club (LRC)" at FIRST and other events or competitions.
- Grant the rights to LRC to publish photographs and videos of the team

We understand and give consent as a team that during the season, pictures and videos will be taken of the teams participating in the related activities, usually by the coaches, other parents, team members, reporters or other FIRST personnel attending the function. Photos and video may be published in newspapers, school publications, websites, Facebook and YouTube, in PowerPoint presentations, team brochure and local email announcement etc.

(Coach's Name)
